

PRAYER ^{AND} PRAISE

requests *reports*

March 21/22, 2020

LK – to not have as much social anxiety and fear of what others might think badly of me. Also to lose weight, to become healthy.

Rachael L - Please continue to pray for healing of my entire leg. I still have pain from deep vein thrombosis and now the front of my knee is hurting, which is causing me to have trouble walking. Also pray for protection for my husband and me as we will be traveling to Barnes Monday and Tuesday so that I may receive a bone marrow biopsy and chemotherapy treatments. Jesus, thank you for the healing you have done in me already. Please heal me from head to toe and keep my husband and me free from disease, injury or illness. Please protect us from coming in contact with anyone with Corona Virus as we travel for necessary treatment, while my immunity is highly compromised. Protect all of the American people and open our leaders hearts and minds to your wisdom. Thank you for all of your blessings!
