January 8/9, 2022

Kyla N. - Please pray for my Uncle Christopher. He is in ICU in Cape with covid, a collapsed lung, on the vent with a fungus. The next few days are critical. Doctors are saying he can still pull through. He has a wife and two children still at home. Please pray for his full recovery and that the fungus does not spread to his blood. Thank you ever so much. God Bless you all.

Amanda V. – Please pray for our finances and safe pregnancy and delivery.

Debra F. - My friend, Charlie, has asked me to add his name and condition of treatment for throat cancer to every prayer chain that I know. He is a strong believer in prayer. Please lift him and his family up to God during this time of great need for blessing over their lives and peace with the difficult times they are facing.

Claire C. – Please pray for Walt W., he is starting chemo today.
