August 6/7, 2022

Amy A. – My stage 3 breast cancer has been re-diagnosed as stage 4 metastatic breast cancer. I've had side effects, like fluid buildup between my lungs and chest wall and fatigue. I ask for prayers for strength as challenges come about, a clear guidance from God that he is with me, and that I wake each morning with a clear focus on God and that he uses me for good during this time.

Phil C. – Please pray for my mom's salvation and restore her to good health. Also, please pray for salvation and excellent health and long life for my Uncle Seve, Aunt Jackie and pray salvation, healing, and long life for my mom's boyfriend Joe, who has cancer. Please Pray that God blesses me with good relationships.

Morgan S. – My mother, Rosemarie, is getting surgery Aug. 23 to remove a large tumor on her kidney. We do not know yet if it is cancerous, but it is close to an artery, so they need to remove it. Prayers for healing and peace for her, please. Also pray that my dad and sister and I have peace as well.
